FRESH BARBECUE PICKLES

- 1 Cucumber sliced approximately 1/8" thick**
- 1/2 Cup Uncle Frank's Original Louisiana Sauce Du Jour**
- Salt and coarsely ground black pepper**

This recipe is best when you use English cucumbers since they tend to be far denser and remain crisper than the traditional American cucumber. Simply combine the ingredients an hour before serving. Use as a garnish on grilled ground beef patties (these quick pickles provide a wonderful, crunchy flavor when served on a traditional hamburger-on-a-bun), lamb or pork. Fresh Barbecue Pickles are perfect served as a garnish with oyster sauté. (See Marinated Oyster recipe).

Will keep (if there're any left) for two days.
